# How to be a Rallyemaster

Reservations Required

February 11, 2012

10am-4pm

2390 Walsh Ave

Santa Clara

In this class you will be taught the process of writing a rallye from start to finish by writing a short rallye together as a class. The class will cover a time line for rallye writing from preparing a flier to scoring and posting rallye results. Each person will start to write their own rallye and leave the class with a started flier, set of GIs, and the first 3-4 RIs. At the end of the class you will be assigned a mentor to help you while you finish your rallye. The mentor will answer all of your questions and be one of your precheckers.

This class is designed for those who have either never written a rallye or those who have only written a leg of The Amazing Rallye. Space is limited to 6 Rallyemaster/Rallyemaster teams to ensure everyone gets the one on one attention that they need.

RSVP ASAP there are only 6 spots available and you will have "homework" prior to class. Send your RSVP to [teresa@stefanisko.net](mailto:teresa@stefanisko.net)
