Dear Friends of EHC,

On behalf of EHC LifeBuilders and those we serve, it is with appreciation we thank you for your gracious gift. With many in our community struggling this year, your support means so much.

For over three decades, EHC has served the most vulnerable homeless and low-income adults, families, and children in Santa Clara County. This past year alone, we provided critical shelter, housing, and homeless prevention for over 5,000 homeless clients. By giving people resources to increase their stability and self-sufficiency, we are working to ensure all have the potential to succeed in our community. Your generosity makes it possible for us to continue transforming lives with purpose and dignity.

If you have any questions, we encourage you to contact Cindy Zbin, Director of Development, at [czbin@ehclifebuilders.org](mailto:czbin@ehclifebuilders.org) or 408.539.2103. Once again, thank you so much for your support.

In Partnership,

A handwritten signature in black ink, appearing to read 'Jenny Niklaus', is written over the printed name and title.
