Car 14 had a protest granted for their car only on RI 13.

Car 18 had a protest granted for their car only on RI 2.

Car 18 had a protest denied on RI 34.

Cars 4 & 12 had protests denied, due to them already getting credit for what they protested. To clarify ALL CARS received credit for the CP at the start. Also ALL CARS received credit for the saying at the start, IF they said the saying at the on route CP.

I want to thank Steve Watt who wrote the original rallye which ran ten years ago. Also thank you to Darin & Michelle McGrew and John Kleder who prechecked the rallye, Darin & John also stood out in the cold working the checkpoint. If you won an award but left the finish early, the awards will be available at the next couple of rallyes.
