A = Award earned. All ties were broken by the first tiebreaker.

One protest was granted for all cars: RI 12 – full credit for either A or C (Daryl only 50' after Boynton).

Many thanks to pre-checkers Larry Friedrich and Eric Anderson, to registration workers Dean Stanton, Darin McGrew, and Michelle McGrew, to checkpoint workers Marilyn Sarig, Rona Graubart, and Alex Rodriguez, and finally to all who participated in this event!

Apologies that participation plaques and awards were not ready at the rallye. These will be available at future TRC events. If you would like yours sent in postal mail, please reply to this email with your postal address as some of the addresses written on the scoresheets are not legible.

Hardest gimmicks: Only one car got full credit for Q12 (Note in CP toy plus forced turn) and only two cars got full credit for each of Q2 (Cherrywood Ct), Q3 (Signal), Q4 (Q deleted early), RI 21/22 (Bismark), and CP5 (Oral question with answer > 10).

Tiebreaker 3 was a 35 question Toy Story trivia quiz. Congrats to Car 17, Jim and Scott Kermode or their passengers, for the top score of 24 correct. To brush up on your Toy Story knowledge, retake the quiz at <https://ohmy.disney.com/quiz/2016/03/06/hardest-toy-story-quiz/>
